

Technical drawing of a black water tank with the following dimensions:

- Top diameter: 600
- Height from top to the start of the main body: 530* (340-800)
- Total height: 1800
- Bottom diameter: 1750

A top-down view of a circular, dark-colored object, possibly a lid or a component. It features a central circular opening and several radial slots or segments. The object has a metallic or plastic appearance with some highlights and shadows.

Technical drawing of a black plastic water tank. The drawing shows the tank from a side perspective, highlighting its cylindrical body with horizontal ribs, a domed top with vertical ribs, and a central outlet pipe. Dimensions are indicated with arrows and text:

- Top outlet pipe diameter: 600
- Height from base to the top of the outlet pipe: 530 * (340 - 800)
- Total height of the tank: 1800
- Base diameter: 1750
